OUR SCHOOL; OUR VISION

Surrounded by the spectacular and breathtaking natural beauty of the Tensa Valley, DAV Public School, Tensa, a Senior Secondary School that is affiliated to CBSE has been imparting education since 2007 with the collaboration of Barsuan Iron Mines, a Raw Material Division of Steel Authority of India Ltd.(SAIL). With standing strength of 600plus, the school endeavors to impart knowledge with excellent self-contained and sound infrastructure and with the state-of-the-Art facilities and resourceful trained & innovative teachers. The achievements both in academics & co-curriculum activities have been commendable creating national records in Martial Arts & felt its presence in the field of science through the students' participation. Special emphasis on joyful learning and value education is the hallmark of the institution. Sophisticated Science & Maths Labs, Smart Learning Classrooms, Well-stored Library, modern Computer Lab, Fun-Station for Tiny-Tots added with the caring environment, the school provides the learners a home like feelings with a progressive approach and innovative action plans. We look forward to prepare our children adept with knowledge and skills that can help structuring their future and making progress of our nation.

“A Ray of an Idea Leads to a Spectrum of Opportunities.”

OATH FOR CHILDREN

By Dr.A.P.J. Abdul Kalam

- I realize that small aim is a crime. I will have a great goal in my life and work hard to achieve that goal. I will acquire the knowledge continuously. I will Sweat, sweat, Sweat. I will persevere to achieve the goal.
- I will work with integrity and succeed with integrity.
- I will be good member of my family, a good member of the society, a good member of my state, a good member of the nation and a good member of the world
- I will always try to save or better someone’s life, without any discrimination of caste, creed, language religion or state, whatever I am, a thought will always come to my mind. That is “What can I do for you?”.
- I will never get addicted to liquor, smoking and gambling. I will always try to retrieve atleast 5 people from addiction and help them to lead a quality of life.
- I will always remember the importance of time. My moto will be “ Let not my winged days, be spent in vain.”
- I will plant at least 5 trees in my neighbourhood and grow. I will always work for making my village clean, city clean and state clean so that my earth will be clean and green, I will do all my best to achieve Energy Independence by 2030.
- As a youth of my nation, I will work and work with courage to achieve success in all my tasks and enjoy the success of others.
- I am as young as my faith and as old as my doubt. Hence, I will light up then, the lamp of faith in my heart.
- My national flags flies in my heart and I will bring glory to my state and the nation.
