OATH FOR CHILDREN

By *Dr.A.P.J. Abdul Kalam*

- **I realize that small aim is a crime. I will have a great goal in my life and work hard to achieve that goal. I will acquire the knowledge continuously. I will sweat, sweat, and sweat. I will persevere to achieve the goal.**
- **I will work with integrity and succeed with integrity.**
- **I will be good member of my family, a good member of the society, a good member of my state, a good member of the nation and a good member of the world**
- **I will always try to save or better someone's life, without any discrimination of caste, creed, language, religion or state, whatever I am, a thought will always come to my mind. That is "What can I do for you?"**
- **I will never get addicted to liquor, smoking and gambling. I will always try to retrieve at least 5 people from addiction and help them to lead a quality of life.**
- **I will always remember the importance of time. My motto will be "Let not my winged days, be spent in vain."**
- **I will plant at least 5 trees in my neighbourhood and grow. I will always work for making my village clean, city clean and state clean so that my earth will be clean and green. I will do all my best to achieve Energy Independence by 2030.**
- **As a youth of my nation, I will work and work with courage to achieve success in all my tasks and enjoy the success of others.**
- **I am as young as my faith and as old as my doubt. Hence, I will light up then, the lamp of faith in my heart.**
- **My national flags flies in my heart and I will bring glory to my state and the nation.**

OUR SCHOOL; OUR VISION

"Education is the kindling of a flame, not the filling of a vessel."

Nestling in the lap of Mother Nature, DAV Public School, Tensa, a Senior Secondary School affiliated to CBSE, has been imparting value-based education since 2007 with the collaboration of Barsuan Iron Mines of Rourkela Steel Plant (RSP), Steel Authority of India Ltd. (SAIL). With a student strength of close to 800, the school endeavours to impart quality education with a holistic approach, enabling the students to excel in different arenas and thereby enlightening lives all around.

It is said that the only thing permanent in this world is change. With the passage of time education keeps on updating its meaning and expanding its boundaries. A tremendous change is being witnessed in the past system of education and the present system and surely more changes will occur in future too. We, at DAV PS, Tensa believe in matching steps with modern education while retaining our touch with age-old cultural values and traditions. While we have trained and dedicated teachers, sophisticated Science & Maths. Labs, Smart Learning Classrooms, a well-equipped Library, a modern Computer lab, NCC under 9(O) BN, Odisha and a fun-station for tiny-tots, we also instill the Vedic philosophy in our students. The school provides the learners a conducive atmosphere with a progressive approach and innovative action plans. Every change that occurs is dealt with technology and experience. Every child in this temple of learning is nurtured with care and understanding and encouraged to develop a positive approach to life from early childhood. This is the hallmark of our vision of education.
