INFRASTRUCTURE :

At DAV Tensa, we are committed to providing a conducive learning environment. For the integral development of the students, every public school must have State-of-the-art facilities. It is a matter of immense pleasure for us that the new building for our school is under construction. Within **two/three** months we will have a new building comprising **30 classrooms**. This is the result of the generous support of our patron, **BIM, RSP, SAIL, Tensa**.

STAFF AND FACULTY :

Our teaching and non-teaching staff have been the backbone of the school's success. With their hard work, commitment, and passion for teaching, they have continuously worked towards creating a nurturing and challenging environment for the students.

OUR VISION :

Excellence in academics is the hall mark of a good institution. So our vision is to make our School one of the best schools of the region by providing quality education to our students through best in class academics facilities and churn out citizens who will be inspiring leaders with a humane touch. We visualize to take this School to new heights with the generous and logistic support of our patrons and love of our parents.
